SHOWCASE

The Oswego Homeschool Association Lakeside Enrichment Academic Program is putting on a showcase to present to their peers and families the different things they are learning. The Acting 101 and Ukulele classes will each present a performance for the parents, with a special performance by the 40 member OHA Choir!

The showcase is taking place on November 8th at 4pm at the Oswego Alliance Church.

Acting 101

LEAP students are seen enjoying Acting 101 class with Ms. Blackburn. At the beginning of acting class, students were instructed to get up and do wacky entrances to get out of their comfort zone and ready to perform with each other.

ART

Art with Ms. Amy is a returning favorite of many. Students are currently tackling photo printing and one point perspective! Art class is a fantastic place for us to express ourselves and be creative.

BEEES

Howards Hives of Oswego invited OHA students to learn about beekeeping at a field trip in August. Students were brave and learned a lot about our important local pollinators!

ART HISTORY

Absolutely everyone is loving art history! Students get to learn all about different artists and art over time. There is an abundance of stunning artwork to learn about and only a few weeks to learn!

Hello everyone! And welcome to the first ever edition of the OHA Times, our student run newspaper! We have been working dutifully getting photos of LEAP classes during our photojournalism class time for the past few weeks. We have all contributed through the photos and words you see here in this very paper!

In these papers, we will discuss what we do in class, upcoming events, all the exciting things OHA has coming up, and anything else fun and new. We hope you read and enjoy this and all future papers we publish!
